RESCHEDULING

There will be no re-scheduling of games unless a conflict becomes known that affects more than one team. If a conflict becomes apparent for one team, the board must be advised 48 hours prior to the game in question for the board to make a decision on weather to re-schedule the game.

14 - 18 DIVISION 13 YEAR OLD POOL

If you need a substitute player, you must call Merrill to arrange (797-3538 or cell 738-3552). Twenty-four hour notice is preferred. **Do not call for substitutes on your own.**

RAIN OUTS

Rainouts will be scheduled on the Saturday of the following week of the rain out. We will attempt to notify the coaches of your rain out schedule by phone; however it is the coach's responsibility to check for the time and place of their make up game. In the event that there are a lot of rainouts, playing on Sunday afternoons, or double headers are possibilities. No 14 -18 Division games will be scheduled for graduation weekend. No games will be scheduled for Fathers Day. Bill DeVrieze, with assistance from John McEvoy will be in charge of rain out scheduling. You may call 781-3007 (Bill) or 738-1001 (John) to find out when your game has been scheduled or to request a change.

FIELD CONDITIONS

To find out if fields are playable, call Leslie Zeglin's cell phone (309) 314-6459. A message should be posted by no later than 4:30. If no answer or message try again in 30 minutes. If still no message, report to your field. Umpires will then make the decision on weather the field is playable or not. If the umpires determine the field is not playable, then it is not playable, do not argue the point. On Merrill Morris Field it is possible that the 6:00 pm game could be rained out but the later games could still be played so do not assume that just because the first game is cancelled they all are unless so stated in the message/recording.

REPORTING OF SCORES

Please email the results of your games (both teams should do this) to voteeyes27@aol.com or you may call John at 786-7393 and leave a message, this helps immensely to keep standings up-to-date.
